

## Riding or Walking Preference

In an effort to streamline Pinehurst's operations, we will be providing them with a list of players who require cart staging prior to competition rounds. Players who are not marked as "Riding" below will not have a cart staged for them daily. There is no fee difference for choosing to ride or walk. Players are permitted to bring their own caddie or reserve a Pinehurst caddie regardless of whether they are walking or riding. Review the Caddie Rules below for instructions on bringing your own caddie or reserving one through Pinehurst
